EDUCATION

Amity University, Rajasthan
Bachelor of Technology (Computer Science and Engineering)

September 2023 - May 2027
CGPA: 7.4

N.K. Public School, Rajawas
12th - PCM

2023
Percentage: 72.5%

EXPERIENCE

App Developer Intern | CityScene Global
Jaipur, India (Hybrid) | June 2026 - August 2026

- Developed the ECVS Flutter app with REST API integration, supporting 13 user roles.
- Published ECVS, SunScope HRMS, and S K Solar applications on the Google Play Console.
- Resolved a Google Play Console upload key issue, enabling successful production releases for the M K Solar Energy app.

Full Stack Developer Intern | Store Infinity
Vijayawada, India (Remote) | May 2025 - July 2025

- Developed front-end and back-end features using Flutter, Laravel, and Firebase in an Agile development environment.
- Revamped the web and mobile UI, improving user experience and application performance.
- Managed application deployments and production releases on Google Play and the Apple App Store.

Software Developer (Freelance) | Karttech
Jaipur, India (Hybrid) | Nov 2023 - Feb 2026

- Developed full-stack web and mobile applications using Flutter, Laravel, and Firebase.
- Integrated REST APIs, optimized application performance, and implemented new features.
- Deployed and maintained production web and mobile applications for startup clients.

PROJECTS

PulseAI: Dual-Model Cardiovascular Risk Analyzer

- Built a full-stack ML system powering a mobile health diagnostic app.
- Model 1:** XGBoost model predicting long-term heart disease risk using 13 clinical inputs.
- Model 2:** Deep learning pipeline (DenseNet121) classifying ECG scans into 5 arrhythmia types.
- Technologies Used:** Python, TensorFlow, Keras, Pandas, NumPy, Flask

Savce - Food Delivery System

- Built 3 production-ready Flutter applications (Customer, Vendor and Delivery Partner) published on Google Play.
- Developed customer and vendor websites with clean UI/UX.
- Created an admin panel for order management, push notifications, and vendor operations.
- Technologies Used:** Flutter, Laravel, Firebase, JavaScript

ACHIEVEMENTS

- Completion of C & C++ Course (2019)
- Completion of Android Oreo Developer Course (2021)
- Google Play Academy - Store Listing Certificate (2024)
- Java Level 2 by Cambridge Certification Authority (2024)
- “Rajya Puraskar” in Bharat Scouts and Guides given by Kalraj Mishra [Former Governor of Rajasthan].

TECHNICAL STRENGTHS

- Languages:** C++, Java, Python, JavaScript, PHP, SQL, C
- Frameworks:** Flutter, Laravel
